

05.03.2021 r.

This letter is addressed to the management of EC ALUTAL - the exclusive distributor of our NATURALBOND branded aluminum composite panels in Ukraine

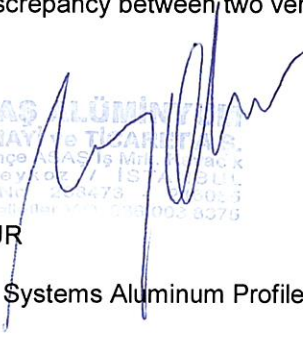

With this letter we confirm that Asaş Alüminyum produces and ships NATURALBOND aluminum composite panels to Ukraine only by orders of the exclusive distributor EC Alutal.

All claims regarding product quality, quantity and delivery time are accepted exclusively from the EC Alutal company.

We have not any other distributors or buyers in Ukraine regarding NATURALBOND aluminum composite panels.

The products of NATURALBOND aluminum composite panels brought to Ukraine unofficially are not covered by our guarantees.

In case of discrepancy between two version of this letter, the English version shall prevail.
